DETAILS

The Hamilton Beach® Professional Juicer Mixer Grinder delivers superior mixing and grinding performance. Its commercial-grade, 2.2 peak horsepower motor easily handles every ingredient, from turmeric and coconut to silky idli batter. The infinite speed control takes on everything from low-speed chopping to high-speed mixing or grinding, and the intelligent speed sensor delivers precise RPMs regardless of the amount of ingredients. To eliminate guesswork, the Hamilton Beach Professional Juicer Mixer Grinder also has 13 program settings that provide consistent results for wet and dry ingredients. To accommodate various batch sizes, it comes with 3 stainless steel jars (0.5, 1 and 1.5 liter), and the 2 larger jars have square sides to ensure excellent circulation with large amounts of food. For peace of mind, the safety interlock stops the blades within 2 seconds if the lid is removed, and the durable blades are universal so they don't need to be changed. It includes a chef-developed recipe book by Kunal Kapur so you can prepare authentic Indian dishes with confidence. This Mixie's performance is backed by a 5 year total product warranty, so you can assured of its high quality and durability.

Blend, juice, mix, grind & more

Take your blending power to the next level with the Hamilton Beach Professional Blender. With 1800 watts of peak power and a 2.4 peak horsepower motor, this blender reaches speeds of over 140 mph to blast through ice and other tough ingredients, fast. Built to last, the Professional Blender's motor is thermal-protected to prevent overheating, and the BPA-free jar is shatterproof.

Effortlessly create perfectly blended smoothies, juice whole fruits and vegetables, puree hot soups, emulsify dressings and grind grains. With a variable speed dial, you control the blending to achieve the exact consistency you want every time. Rubber-mounted components make for quieter blending. And a tamper is included to help blend thick or frozen mixtures. Cleanup is a breeze – all parts are dishwasher safe.

Powerful Performance

Get the power the pros have. With a commanding 1800 watts of power and a 2.4 peak horsepower motor, the stainless-steel blades rotate over 140 mph – delivering the performance you need to quickly crush ice, puree sauces, chop nuts and more.

Ultimate Control

Whether you're whipping cream or chopping up ingredients for a fresh salsa, the variable speed dial gives you ultimate control over the blending process. The pulse function can be used at any speed for mixing and chopping without over processing to achieve the ideal texture.

Durability

Built to provide years of high-performance blending, the blender's motor is thermal-protected to prevent overheating. The metal drive and stainless steel blade can easily blend frozen fruits and ice over and over again, and the BPA-free, shatterproof 64 ounce Tritan jar can handle the toughest jobs.

Easy-Pour Measuring Cup

The lid of the blender includes a removable filler-cap that doubles as a measuring cup, so you can easily measure ingredients for dressings and marinades.

Tamper Included

A tamper is included to help you blend frozen or thick mixtures, like nut butter, to the perfect consistency.

DETAILS

Powerful blending with less noise

Increase your blending power while reducing noise with the Hamilton Beach Professional Quiet Blender. The 2.0 peak horsepower motor powers stainless steel blades to speeds over 105 mph to blast through ice, frozen fruit, and other tough ingredients in just seconds. With rubber-mounted components, a motor designed with optimal airflow and a removable shield, this blender is engineered to reduce noise during blending. The quiet shield can also be used as a serving pitcher.

Effortlessly create perfectly blended smoothies, juice whole fruits and vegetables, puree hot soups, emulsify dressings and grind spreads. With a variable speed dial, you control the blending to achieve restaurant-quality results every time. Or choose pre-programmed smoothie, ice crush or puree settings for one-touch convenience. A tamper is included to help blend thick or frozen mixtures. The clean setting makes washing your jar a breeze, and all parts are dishwasher safe.

Quieter Blending

Keep your conversation going regardless of what you're blending. The quiet shield reduces the amount of noise from your blender when placed over the jar, plus it doubles as a serving pitcher. It's also perfect for carrying ice from the freezer to the blender. Airflow around the motor and rubber-mounted components also helps to dampen noise during blending.

Powerful Performance

Get the power the pros have - with a commanding 1500 watts of power and a 2.0 peak horsepower motor, the Hamilton Beach Professional Quiet Blender delivers the performance you need for restaurant-quality results. Hardened stainless-steel blades rotate 105 mph to power through ice and tough ingredients in seconds.

Ultimate Control

Whether you're whipping cream or chopping up ingredients for a fresh salsa, the variable speed dial gives you ultimate control over the blending process. The pulse function can be used at any speed for mixing and chopping without over processing to achieve the ideal texture.

Pre-Programmed for Easy Blending

Four pre-programmed settings eliminate guesswork and offer one-touch convenience. For smoothie, ice crush and puree, simply add ingredients; choose the program by turning the dial, and press start. Use the clean setting for a quick wash. The blender automatically stops at the end of the program.

Easy to Clean

Add warm water, dish detergent to blender jar and use the pre-programmed clean setting for a quick clean. The blender jar, lid and tamper are all dishwasher safe as well.

Tamper Included

A tamper is included to help you blend frozen or thick mixtures, like nut butter, to the perfect consistency.
