- 20 oz. capacity
- Drinks stay colder longer with double-wall jar
- BPA-free, shatterproof Tritan™
- Just blend, fill, and go!
- 600 watts peak power
- High and low speeds plus pulse
- Stainless steel blades remove for easy cleaning
- Flip-top lid with seal included

- 3 year limited warranty

DETAILS

Bring your smoothie or shake wherever your day takes you.

If smoothies and protein shakes are a staple in your diet, life just got a little easier. The Hamilton Beach® Go Sport™ Blender lets you blend and run. Since the blender jar is also a travel bottle, there is no need to find the right cup or spend time cleaning up the unit before leaving the house in the morning. Instead, remove the collar and blade from the jar, replace it with the flip-top lid and you're ready to go.

This blender was made with active lifestyles in mind. The large 20 oz. bottle is slender enough to fit easily into most car cup holders. It's made with BPA-free, shatterproof Tritan™ so you can carry it in your gym bag or take it with you to the track. No need to worry about keeping it chilled; the double-wall bottle is designed to keep beverages colder longer and reduce condensation. The hardest part will be deciding between an orange mango smoothie or a cucumber melon chiller..

Just Fill...

Once you fill up the convenient single-serving jar with your ingredients, simply attach the blade and collar, flip the bottle over and secure it onto the base of the blender.

Blend...

Smoothies aren't the only thing you can make in this blender. High, low and pulse settings allow you to create fresh salad dressings, small batch salsas and more.

...and Go!

A flip top lid fits right on the personal blending jar, making it easy to blend and run. The lid snaps closed and has a no-leak seal, making it a good choice for busy lifestyles.

Double-Wall Construction

The 20 oz., double-wall, BPA-free Tritan™ jar helps keep drinks colder for longer. Its sleek, narrow profile fits perfectly in most car cup holders.

Easy Cleaning and Storage

The removable jar, stainless steel blades and no-drip lid are all dishwasher safe. The Hamilton Beach® Go Sport™ Blender's small footprint was optimized to occupy little counter or cabinet space.

3 year limited warranty

Модель 53600. Бытовой блендер со звукозащитным экраном.

FEATURES

- With Quiet Blend™ technology
- Hinged 2-piece sound shield for noise reduction
- MultiBlend™ jar and blade provides versatile blending for smoothies, icy drinks, salsas, soups and more
- 52 oz. dishwasher-safe glass jar
- 3 Speeds with pulse function for ultimate control
- Stainless steel blades for superior ice crushing
- 950 watt peak power motor
- Drip-free pour spout & lid

Dimensions (inches): 16.14 H x 10.24 W x 9.06 D

DETAILS

With 950 watts of peak power and 3 speeds with pulse, you can create creamy smoothies, chop salsas or puree soups with the Hamilton Beach Sound Shield 950. Stainless steel blades make quick work of crushing ice and other tough ingredients. And a hinged, 2-piece sound shield opens and closes over the 52 oz. MultiBlend glass jar to reduce noise. So it's quiet enough to carry on your party conversation when mixing margaritas, or prepping dinner while the baby naps upstairs. 3 Speeds with Pulse Control the 950 watts of peak power with three different speed settings that range from high to low. A high-speed pulse lets you blend with control for the perfect consistency and to avoid over-processing. MultiBlend Jar & Blades From fresh garden salsa to homemade butternut squash soup, puree and blend a variety of foods – including icy drinks like smoothies and margaritas –with the MultiBlend™ design of the glass jar and stainless steel blades. Engineered to Reduce Noise The blender's motor has smart engineering elements, like muffled chambers, and design features including a two-piece shield that reduces the sound of hard ice and frozen ingredients being blended. This blender science – as we like to call it – shifts the frequency of sound from harsh to hushed. Easily Fits Under Cabinet Make this blender a countertop mainstay – it's sized just right to fit under most standard cabinets. Hamilton Beach products are thoughtfully designed to make your life easier. We use consumer insights, in-depth research and rigorous testing to deliver the best solution to your everyday needs. Whether it's preparing delicious meals and beverages effortlessly, or making your clothes look their best, you can count on the brand that has spent over 100 years creating products with you in mind.

Removable, two-piece Sound Shield engineered to Reduce Noise

Similar to commercial quiet blenders, a two-piece sound shield reduces noise while blending, even with frozen ingredients. It's hinged for easy access to your blender, and removes for cleaning. The motor enclosure and quiet fan design also work to soften sound.

3 Speeds with Pulse

Control the 950 watts of power with three different speed settings range from high to low. A high-speed pulse lets you blend with control for the perfect consistency and to avoid over-processing.

MultiBlend™ Jar & Blades

From fresh garden salsa to homemade butternut squash soup, puree and blend a variety of foods—including icy drinks like smoothies and margaritas— with the 52 oz. jar featuring the MultiBlend™ design and stainless steel blades. It's also dishwasher safe!

Easily Fits Under Cabinet

Make this blender a countertop mainstay – it's sized just right to fit under most standard cabinets.

Модель 54210. Мультифункциональный бытовой блендер.

FEATURES

- 40 oz. capacity
- Powerful blending for perfect smoothies, icy drinks and dips
- Stainless steel ice-crushing blades
- Versatile blending for smoothies, salsas, hummus, icy drinks, and more
- 800 watt peak-power motor
- 14 speeds with high/low pulse
- 2 oz. filler-cap for adding ingredients while blending
- Dishwasher safe removable blades and jar

Dimensions (inches): 14.69 H x 6.5 W x 8.66 D

DETAILS

Powerful blending for smoothies, salsas, hummus and more

Step up your blending power and capabilities without breaking the bank with the Hamilton Beach® Multi-Function blender. The shatter-resistant, 40 oz. glass jar, stainless steel blades and 800 watts of peak power work together to effortlessly blend icy drinks, puree hummus, chop up salsas, and much more. Each of the 14 blending speeds are labeled by function to eliminate guesswork, and a 2 oz. filler cap lets you add ingredients while mixing. Enjoy peace of mind with a 3-year limited warranty and access to our US-based customer support team.

Blend a Variety of Drinks & Foods

The 800-watt peak power motor provides the maximum amount of power at the right time to let you mix, blend and puree drinks, sauces, dips and more.

Shatter-Resistant, 40 oz. Glass Jar

The dishwasher-safe glass jar is designed to push food down into the blades to create smooth, consistent results.

Stainless Steel, Ice-Crush Blades

These blades can handle everything from frozen fruit to hot soups.

2 oz. Filler Cap

Stream in olive oil for pestos and dressings, add more wine to your frosé or a few teaspoons of protein powder to your smoothie.

3-Year, Limited Warranty

What's better than buying a blender from a top-selling brand? When it comes protected with a 3-year warranty and access to a team dedicated to supporting customers like you.

Модель 56207. Цифровой бытовой блендер для смузи со стеклянной чашей.

FEATURES

- The perfect one-touch smoothie
- 700 watts peak power
- No-mess pouring spout for less drips
- Patented Wave~Action® System for smooth results without stirring
- Ice Sabre® Blades optimized for crushing ice plus hard vegetables and frozen ingredients
- Preprogrammed setting for the most popular blender creations
- 4 functions for blending versatility, including clean and puree
- 40 oz. glass jar blender

DETAILS

The perfect smoothie in just 45 seconds

Smoothie lovers, this one's for you. The Hamilton Beach® Smoothie Smart™ Blender makes quick work of crafting the perfect frozen drink with just the push of a button. In only 45 seconds, this blender's special auto feature will pulse to crush ice and large pieces of frozen fruit, mix on low, then ramp up to high speed—the ideal sequence for perfectly blended smoothies. Pulse and puree functions provide the versatility to make all your favorite blended recipes.

The key to this blender's performance is in its unique design. The body of the 40 oz. jar features our patented Wave~Action® System, which pulls the mixture down into the patented Ice Sabre® Blades, providing smooth results without stirring. The low-speed clean function makes it easy to sanitize the unit by simply running a cycle of soap and water, plus the removable blades, collar, lid and jar can be run through the dishwasher for a thorough washing. A no-mess spout even makes for easy pouring. With the Hamilton Beach® Smoothie Smart™ Blender, incorporating fruits and veggies into your diet through fresh smoothies and shakes has never been so simple.

Convenient One-Touch Setting

It only takes 45 seconds to achieve the perfect one-touch smoothie when you select the auto smoothie feature; the blender will pulse first to crush the ice, mix on low, then ramp up to high. Pulse and puree options offer the versatility to craft other recipes like icy drinks, protein shakes and more.

Smart Design

The jar's patented Wave~Action® System is designed to pull ingredients down into the blades. A pour-spout lid helps avoid drips and messes when serving.

Powerful Ice Sabre® Blades

The blender's patented Ice Sabre® blades were tested for powerful performance by crushing two tons of ice, so they can stand up to large, frozen strawberries and other difficult-to-crush ingredients.

Easy Cleanup

The lid, blades, collar and jar are all removable and dishwasher-safe, making cleanup simple. Or, use the clean setting to run water and a drop of dish soap through the machine for an even quicker wash.

Convenient Cord Storage

Reduce countertop clutter by keeping cords out of sight. The blender has a hollow space below to discreetly tuck away its power cord.

Built to Last

The Hamilton Beach® Smoothie Smart™ Blender's durable motor is life-tested to blend the equivalent of more than 1,000 frozen drinks. Due to its performance and durability, this blender comes with a 3-year limited warranty.

Модель 58164. Мультифункциональный бытовой блендер-измельчитель со стеклянной чашей марки Wave Crusher.

FEATURES

- 40 oz. glass jar for smoothies, shakes and icy drinks
- 3 cup chopping bowl for vegetables, nuts, salsa, dressings, and sauces
- 2 appliances in 1
- Multi-function blending speeds plus pulse
- Revolutionary Wave Action® designed to continuously pull mixture down into the blades for smooth results every time - No more ice chunks!
- Dishwasher safe containers
- Cord storage
- 700 watt peak power
- Mess-free spout
- Stainless steel Ice Sabre® blades

Dimensions (inches): 14.69 H x 12.01 W x 8.66 D

DETAILS

Switch seamlessly from blending to chopping with this double-duty appliance.

Even a classic kitchen tool can learn new tricks. The Hamilton Beach® Wave Crusher® Multi-Function Blender serves as two appliances in one. By simply swapping the blending jar for the chopping bowl, you can go from blending and pureeing to chopping and mincing, simplifying meal prep and ensuring you are completely covered in the kitchen, no matter the task.

The blender features the patented Wave-Action® system, which works to continuously pull the mixture into the blades for consistently smooth results. This system, combined with stainless steel blades, makes this blender ideal for smoothies, shakes and icy drinks. Using the 3-cup chopper attachment instead of the 40 oz. blending jar is convenient for preparing vegetables, nuts, salsa, sauces and more.

The Wave Crusher® Multi-Function Blender lid, blades, jar and chopping bowl are all dishwasher safe, and the base comes with storage for the cord.

Twice the Function in One

This blender was made to do the work of two appliances, all in one clever, space-saving design. Use the 40 oz. jar to blend your favorite fruits, juice and yogurt for a delicious smoothie, or switch to the chopper attachment instead to dice ingredients for salsas, dressings and sauces.

Wave-Crusher® Blender

The blender is perfect for making smoothies, icy drinks, milkshakes and more. The 40 oz. glass jar features a unique spout with a hinged cap for easy, no-mess pouring. The cap also works great for adding ingredients while mixing, and it closes securely for spill-resistant storage of leftovers.

3-Cup Chopper

When you swap the blending jar for the chopper attachment, it's easy to chop vegetables, nuts, fruits and more. The chopping bowl has a 3 cup capacity and is dishwasher safe, making cleanup simple.

Revolutionary Wave-Action® System

Ordinary blenders spin contents around the walls of the jar, which can leave whole chunks untouched by the blades, but the Wave Crusher® Blender has the patented Wave-Action® System, which continually forces the mixture into the blades for consistent results. Combined with the patented Ice Sabre® blades, which can stand up to large, frozen strawberries and other difficult-to-crush ingredients, this multi-function blender makes the perfect smoothie.

Модель 58165. Мультифункциональный бытовой блендер со стеклянной чашей марки Wave Crusher.

FEATURES

- Wave-Action® system is designed to continuously pull mixture into the blades for smooth results and no ice chunks
- Lid spout for mess-free pouring
- 700 Watt peak-power motor
- Dishwasher safe, 40 oz. glass jar
- Hardened stainless steel blades
- Cord storage
- Easy-to-clean base
- 3 year limited warranty

Dimensions (inches): 14.69 H x 12.01 W x 8.66 D

DETAILS

Easy blending and pouring ... now that's Good Thinking®.

All it takes is a press of a button to get delicious results with the Hamilton Beach® Wave Crusher® Blender. Built with the patented Wave-Action® system, this blender works to continuously pull the mixture into the blades for consistently smooth results. This system, combined with stainless steel blades, makes this blender ideal for smoothies, shakes and icy drinks.

The 40 ounce glass jar is perfect for parties or making a pitcher of milkshakes the whole family can enjoy. And with 12 blending functions including pulse, you're sure to find the right setting for a smooth drink. You can also whip up sauces, dressings and purees.

An easy-pour spout eliminates drips so there's no mess to clean up. The lid, blades and jar are dishwasher safe, and the base comes with storage for the cord.

Smoothies, Shakes and More

Blend your favorite fruits, juice and yogurt together for a delicious smoothie, or cool off on a hot day

with your favorite frozen drink. With 12 functions including pulse, this blender was made to give you the flexibility to mix your favorite ingredients into a delicious drink. It is also perfect for blending soups or making purees.

Smooth Results Without Stirring

Ordinary blenders spin contents around the walls of the jar, which can leave whole chunks untouched by the blades, but the Wave Crusher® Blender has the patented Wave-Action® System, which continually forces the mixture into the blades for consistent results.

Powerful Ice Sabre® Blades

The blender's patented Ice Sabre® blades were tested for powerful performance by crushing two tons of ice, so they can stand up to large, frozen strawberries and other difficult-to-crush ingredients.

Mess-Free Lid & Pour Spout

The 40 oz. glass jar features a unique spout with a hinged cap for easy, no-mess pouring. The cap also works great for adding ingredients while mixing, and it closes securely for spill-resistant storage of leftovers.

Модель 58176. Мультифункциональная кухонная система марки MultiBlend.

FEATURES

- Crush tough ingredients with 800 watts of peak power
- Blend food and beverages with the MultiBlend™ 52 oz. glass jar and blade system
- Slice, chop and shred with the food processor attachment
- Blend and go with single-serve travel jar & lid
- Easy to operate and quieter blending
- Does the work of 3 separate appliances
- Drip-free pouring

Модель 50123. Бытовой блендер с пластиковым кувшином.

FEATURES

Модель 51101V. Компактный бытовой блендер с дорожной крышкой марки Personal Creations.

FEATURES

- Makes great smoothies and icy drinks
- Ice-crushing power for smooth results
- Blend & drink from the jar
- Easy to clean - jar and lid go in the dishwasher
- Compact size makes it the perfect blender for home, office, or while traveling
- Fast and easy one-touch blending
- BPA free in food zones

Dimensions (inches): 12.25 H x 3.5 W x 3.5 D

DETAILS

If smoothies and protein shakes are a staple in your diet, life just got a little easier. The Hamilton Beach Personal Creations Blender with Travel Lid lets you blend and run. Since the blending jar is also a travel mug with lid, there is no need to find the right cup or spend time cleaning up the blender before leaving the house in the morning. Instead, just remove the jar from the base, and you're ready to go. The 14 ounce travel mug includes measuring marks up the side, and it fits most car cup holders for safe, secure transport. When you're done with your drink, the cup and lid can be safely run through the dishwasher.

One-Touch Blending

The Hamilton Beach Personal Creations Blender with Travel Lid allows you to make smoothies, shakes, dressings, small-batch salsas and more to your desired consistency and taste with simply the press of a button. The stainless steel blades can easily cut through ice and frozen fruit, delivering smooth, consistent results every time.

Portable and Compact

This single-serve blender provides ultimate drink versatility and portability. The blending jar doubles as a detachable travel mug with lid that lets you drink straight from the jar and fits in most car cup holders. Extremely compact, it's perfect for traveling with you to work, games or sporting events, and it's ideal for small living spaces like apartments and dorms.

Convenient, Healthy Options

The Hamilton Beach Single-Serve Blender delivers the satisfaction of a perfectly portioned, healthy treat in delicious drink form. It comes with measuring lines on the front of the BPA-free jar, which gives you the ability to guess less and blend more.

- Cord storage

- Backed by 3 year warranty

Dimensions (inches): 14.69 H x 6.5 W x 8.66 D

DETAILS

The Power Elite Multi-Function Blender is great for blending classic beverages such as smoothies and icy drinks, but it's equally talented at preparing food such as salsas and purées. Once this multi-tasking blender is in your kitchen, it will quickly become your go-to appliance for preparing many different things. To simplify blending, its 4 blending buttons clearly indicate which function each button is designed to perform. You'll quickly be able to select which button to press for each blending task, from making milkshakes and crushing ice to food preparation such as puree, dice, chop and grate.

Tips & Care for the Best Performance

The minimum amount of liquid needed per recipe is one cup (8 oz/250 ml). Add more liquid if your mixture is not blending properly. To add food or liquid to when blender is operating, open the hinged pouring cap and add ingredients through the opening. If blending action stops during blending or ingredients stick to sides of jar, there may not be enough liquid in the jar to blend efficiently.

Warranty Protection

We're confident in the durable construction and performance of the Power Elite Multi-Function Blender. For your peace of mind, this blender comes with a 3-year limited warranty.

Модель 58159. Мультифункциональный блендер-измельчитель марки MultiBlend.

FEATURES

- Advanced jar & blade design for optimal food & drink blending
- 6 cup Tritan™ jar

- Cord storage area underneath base
 - Durable motor is life-tested to blend 8,000 frozen drinks
 - Your purchase is confidently backed by a 3 year warranty

Making Smoothies

With the Smoothie Smart™ Blender, making a perfect smoothie is a simple matter of adding ingredients to the jar, pressing a button, and walking away. There's no need to stop and watch the blender. Smoothie Smart™ Blender is programmed to blend with the ideal combination of pulses and speeds to create perfect results. When your smoothie is finished, it shuts off to prevent over-blending.

Blending Milkshakes and Icy Drinks

Besides making a perfect smoothie, the Smoothie Smart™ Blender is also an expert at blending milkshakes and icy drinks. For milkshakes, add milk and ice cream to the jar and press the mix/milkshake button for 5 to 10 seconds. To blend icy drinks, add liquids first, then ice cubes. Press the puree/icy drink button for 45 seconds or press pulse/ice crush five times, then press puree/icy drink for 45 seconds.

Crushing Ice

The Smoothie Smart™ Blender has the power to crush ice perfectly, but for the best results, follow these tips. Always crush ice immediately after removing it from the freezer and ensure that ice cubes are separated. To crush ice, add 1 cup (250 ml) of ice cubes to the Smoothie Smart™ jar, place the lid on top and pulse, allowing the blades to come to a complete stop between pulses. Continue until the ice is crushed to your desired consistency.

Blending Hot Liquids The Smoothie Smart™ Blender is great for blending hot soup and pureeing cooked vegetables. To create one of these smooth, velvety mixtures, add liquids to the jar first, then solid ingredients. Start blending at the lowest speed, taking care to hold the lid with an oven mitt.

Chopping Food In many cultures, blending salsa and dip is a daily activity. Prepare for chopping these and other mixtures by cutting food into small pieces so it can circulate around the blades. Use a gentle pulsing action, waiting for the blades to stop between pulses. If needed, stop blending and redistribute ingredients in the jar before you continue.

Tips & Care

If your recipe calls for liquid and ice cubes or solid ingredients, always add the liquid first. For the best performance, the minimum amount of liquid needed per recipe is one cup (8 oz/250 ml). Add more liquid if your mixture it is not blending properly. To add liquid, food, or oil for dressing while blending, lift the vent lid. While the Smoothie Smart™ Blender is powerful, is not made to mix stiff dough, whip egg whites, grind raw meat, or extract juice from produce.

Dimensions (inches): 14.4 H x 7.8 W x 7.7 D

Модель 58615. Бытовой блендер с пластиковой чашей и носиком марки Wave Station.

FEATURES

- No more ice chunks! Revolutionary Wave-Action® system continuously pulls mixture down into the blades for smooth results every time

- Stainless steel blades
- Dispensing spout
- Convenient spout cap
- 3 year warranty

Dimensions (inches): 14.25 H x 8.27 W x 9.06 D

Модель 50190. Бытовой блендер для смузи с пластиковой чашей.

FEATURES

- 10 speeds
- No more ice chunks
- Ideal for smoothies, shakes & icy drinks
- Entire one-piece jar is dishwasher safe – no disassembly needed
- 56 oz. BPA-free plastic jar
- Stainless steel Ice Sabre™ blades
- 650 watt peak-power motor
- Pour spout minimizes drips
- 3 year limited warranty
- Wave~Action® system eliminates the need for stirring

Dimensions (inches): 14.8 H x 7.87 W x 8.23 D

DETAILS

The Hamilton Beach® 10 Speed Smoothie Blender delivers consistently smooth results every time you blend. It's the perfect blender for shakes and smoothies and holds 56 ounces. The patented Wave~Action® System pulls mixture down into the patented, stainless steel Ice Sabre® blades designed to power through ice. With these powerful blades combined with 650 watts of peak power, this blender effortlessly blends a variety of ingredients to make frozen cocktails and other icy drinks, homemade salsas and more. The convenient pour spout on the blending jar eliminates messy drips when pouring to make serving easy. Measuring lines on the front of the durable, BPA free blending jar eliminate any extra measuring cups or guesswork. The filler cap on the blending jar lid is also removable so you can easily add ingredients while blending. The smoothie blender includes a 3 year limited warranty from Hamilton Beach®.

Smooth Results Without Stirring

Ordinary blenders spin contents around the walls of the jar, which can leave whole chunks untouched by the blades, but the Wave Power® Blender has the patented Wave-Action® System, which continually forces the mixture into the blades for consistent results.

One-Piece Jar

The entire 56 oz. plastic jar can go in the dishwasher for easy cleanup – no disassembling of parts is necessary. The large size is perfect for entertaining or multiple servings.

Smoothies, Shakes and Frozen Drinks

Blend your favorite fruits, juice and yogurt together for a delicious smoothie, or cool off on a hot day with your favorite frozen drink. This blender was made to give you the flexibility to mix your favorite ingredients into a delicious drink.

Pour Spout for Less Mess

The jar's pour spout was designed to minimize messy drips.

Filler-Cap for Adding Ingredients

Add in ingredients while the blender is spinning with the filler-cap on the jar lid. Measurement marks make it easy to get the exact amount.

10 Speeds and Pulse

Have ultimate control of your blending with 10 speeds plus pulse.

Модель 53602. Бытовой блендер со звукозащитным экраном со встроенными программами и спортивной бутылкой.

FEATURES

- 5 speeds, 3 programs
- 950 watt peak-power motor
- MultiBlend™ System - Blend smoothies, puree hummus, chop salsa & more
- Hinged 2-piece sound shield for quieter blending
- 5 speeds with pulse function and 3 programs for ultimate control
- Dishwasher safe parts
- 52 oz. glass jar
- 20 oz. blend-in jar with travel lid
- Stainless steel blades for superior ice crushing
- Drip-free pour spout & lid
- Easily fits under cabinet
- Hinged sound shield - Lets you easily access the jar

without removing the shield

- Quieter blending: - Sound shield buffers the harsh sound of ice and frozen ingredients being blended - Smart engineering elements like muffled chambers reduce motor noise

Dimensions (inches): 16.1 H x 10.2 W 9 D

DETAILS

The versatility and quiet of restaurant blenders on your countertop

No need to worry about waking up the house – or the neighborhood – for that 6:00 a.m. smoothie. The Hamilton Beach® Sound Shield 950 is designed to reduce noise from the four different areas of a traditional blender. It's quiet enough to carry on your party conversation when mixing margaritas, or prepping dinner while the baby naps upstairs.

A hinged, 2-piece sound shield opens and closes over the 52 oz. MultiBlend glass jar. The base is designed to fit both the included 52 oz. glass jar and the 20 oz. travel jar, giving you the flexibility to blend for one or the whole family. With 950 watts of power, 5 speeds and three programmed settings, including smoothie, you can do everything from mix salsas to puree soups. Stainless steel blades make quick work of crushing ice, and the drip-free pour spout means no more smoothie running down the side of the jar or all over your kitchen counter. The blade and jar are both dishwasher safe.

Engineered to Reduce Noise

Similar to commercial quiet blenders, a two-piece sound shield reduces noise while blending, even with frozen ingredients. It's hinged for easy access to your blender, and removes for cleaning. The motor enclosure and quiet fan design also work to soften sound.

5 Speeds with Pulse

Control the 950 watts of power with five different speed settings range from high to low. A high-speed pulse lets you blend with control for the perfect consistency and to avoid over-processing.

50 oz MultiBlend™ Glass Jar & Stainless Steel Blades

Puree and blend a wide variety of foods and drinks— from fresh garden salsa to homemade butternut squash soup and icy drinks like smoothies and margaritas— thanks to the MultiBlend™ design of the 50 oz glass jar and stainless steel blades.

Personal Blend-In Jar with Travel Lid

With the twist of the blade collar you can switch from blending in the larger jar to blending in the travel jar. It's 20 oz size and travel lid make it perfect for on-the-go smoothies, protein shakes and icy drinks.

- Add your ingredients and attach the cutting blade assembly and jar collar on the personal jar.
- Turn the personal jar upside down and shake it, then put it on the blender base and blend.
- Remove the personal jar from the base and collar and cutting assembly from jar. Top the personal jar with the drinking lid and go!

Easily Fits Under Cabinet

Make this blender a countertop mainstay – it's sized just right to fit under most standard cabinets.

3 Program Settings

- Smoothie – Blend fresh or frozen
- Ice Crush – Break ice into small pieces fine enough for slushies or cocktails
- Clean – Add warm water, dish detergent and blend for easy, quick cleaning.

TEST KITCHEN TIPS:

- **50 oz MultiBlend™ Glass Blender Jar**
 - Always place liquid in the blender jars first, then the remaining ingredients
 - For best performance, use a minimum of 1 cup (8 oz / 237 ml) of liquid per recipe. Add more liquid if the food is not blending properly.
 - If ingredients stick to the sides of the jar or blending appears to stop, try pulsing or adding more liquid to the blender jar.
 - If ice or frozen fruit pieces are not blending, stop the blender and pulse a few times.
- **20 oz Personal Blender Jar**
 - When blending in the personal jar, keep your hand on top of the jar to hold it securely in place.
 - If ingredients stick to the sides of the jar or blending appears to stop, remove the jar, shake it, then return to blending.
 - For best performance in the personal jar, use a minimum of 3/4 cup (6 oz / 177 ml) of liquid per recipe.
 - Always place frozen ingredients or ice into jar first— when jar is turned upside down to blend, frozen items will be on top.

Модель 58149. 12-функциональный блендер-измельчитель со стеклянной чашей 700 Вт из нержавеющей стали.

FEATURES

- Two appliances in one- Blender & Chopper
- Blender features 5 cup glass jar and revolutionary Wave-Action® system for smooth results every time

Модель 51128. Компактный бытовой блендер с дорожной крышкой марки Personal Creations.

FEATURES

- Makes great smoothies and icy drinks
- Ice-crushing power for smooth results
- Blend & drink from the jar
- Includes travel lid
- Easy to clean - jar and lid go in the dishwasher
- Compact size makes it the perfect blender for home, office, or while traveling
- Fast and easy one-touch blending
- BPA free in food zones

Dimensions (inches): 12.3 H x 4 W x 4 D

DETAILS

If smoothies and protein shakes are a staple in your diet, life just got a little easier. The Hamilton Beach Personal Creations Blender with Travel Lid lets you blend and run. Since the blending jar is also a travel mug with lid, there is no need to find the right cup or spend time cleaning up the blender before leaving the house in the morning. Instead, just remove the jar from the base, and you're ready to go. The 14 ounce travel mug includes measuring marks up the side, and it fits most car cup holders for safe, secure transport. When you're done with your drink, the cup and lid can be safely run through the dishwasher.

One-Touch Blending

The Hamilton Beach Personal Creations Blender with Travel Lid allows you to make smoothies, shakes, dressings, small-batch salsas and more to your desired consistency and taste with simply the press of a button. The stainless steel blades can easily cut through ice and frozen fruit, delivering smooth, consistent results every time.

Portable and Compact

This single-serve blender provides ultimate drink versatility and portability. The blending jar doubles as a detachable travel mug with lid that lets you drink straight from the jar and fits in most car cup holders. Extremely compact, it's perfect for traveling with you to work, games or sporting events, and it's ideal for small living spaces like apartments and dorms.

Convenient, Healthy Options

The Hamilton Beach Single-Serve Blender delivers the satisfaction of a perfectly portioned, healthy treat in delicious drink form. It comes with measuring lines on the front of the BPA-free jar, which gives you the ability to guess less and blend more.

Модель 58147. Мультифункциональный бытовой блендер 700 Вт со стеклянной чашей (красный).

FEATURES

- Powerful ice crushing with patented Ice Sabre® blades
- Durable 700 Watt peak power motor - life-tested to blend 8,000 frozen drinks

Dimensions (inches): 15.75 H x 6 W x 6.25 D

DETAILS

Blend a batch of cold, creamy milkshakes for the family or a fresh smoothie to take on the go with the Hamilton Beach® Wave Crusher® Blender. Built with the patented Wave-Action® system, 800 watts of peak power and stainless steel Ice Sabre® blades, this blender works to continuously pull the mixture into the blades for ultra smooth fruit smoothies, shakes and icy drinks. And with only 5 simple buttons, making the right selection is easy and intuitive. This blender is packed with thoughtful innovations, like a heat-resistant 40 oz. glass jar, a unique spout that pours without messy drips and a patent-pending design that reduces noise from the motor. When it's time for cleanup, the blades and glass jar are removable and dishwasher safe.

Full function, intuitive controls

Power Elite™ Blenders have all the power and functionality you need to make smoothies, shakes, icy drinks and more. 5 simple buttons clearly indicate which function each is designed to perform.

Ice sabre® blades

Patented Ice Sabre® blender blades were tested for powerful performance by crushing two tons of ice, so they can stand up to large, frozen strawberries and other difficult-to-crush ingredients.

40 oz. Heat-resistant glass jar

Shatter-resistant blender jar is thermal-shock tested to withstand extreme temperature changes, like when making an ice-cold smoothie right after retrieving the jar from a hot dishwasher.

800 watts of peak blending power

Powerful kitchen blender motor lets you masterfully mix, puree, blend, grind and crush ice with smooth results.

Quieter blending

Patent-pending design is engineered to minimize airflow and motor noise.

Модель 51131. Компактный бытовой блендер с дорожной крышкой.

- Easy storage - compact size and convenient cord wrap let you store it anywhere

Dimensions (inches): 11.9 H x 3.94 W x 3.94 D

Модель 52400. Бытовой блендер марки Stay or Go.

FEATURES

- A size for every job
- Blends food & drinks with ease
- 650 watt peak-power motor
- Pulse action for chopping control
- Dishwasher safe, no-shatter Tritan™ jars
- Includes:
 - One 32 oz. jar with lid
 - One 8 oz. grinding cup with shaker lid
 - Two 16 oz. travel cups with drinking lids

Great for food preparation or drink blending

The Hamilton Beach® Stay or Go® Blender is great for blending classic beverages such as smoothies and icy drinks, but it is equally talented at preparing food such as salsas and purees. Once this multi-tasking blender is in your kitchen, it will quickly become your go-to appliance for preparing many different things. From making milkshakes and morning smoothies to food preparation tasks such as pureeing, dicing, chopping and grinding, this blender can handle the task. Grind your favorite nuts or some cookies to top an ice cream sundae. The handy 8 oz. container has a shaker/storage lid so you can grind, store, and serve from the same container. Making a salad dressing or some sauce to top broiled fish? The 16 oz. container is great for smaller quantities.

Made for people on-the-go

Smoothies and protein shakes are a convenient breakfast for many people. The single-serving 16 oz. travel cup is great for blending portable smoothies, shakes, and frozen drinks fast. The ultimate in convenience, you can blend and sip from the same cup. Even better? It's sized to fit most car cup holders.

A container for every use

No need to have multiple blenders when you can have multiple containers. The 32 oz. jar is large enough to serve the family milkshakes or prepare a fresh batch of salsa. Two 16 oz. travel cups with drinking lids are just the right size for smoothies on the go. This versatile sized blending container is especially convenient. It can function as a mixing jar one minute and portable travel mug the next. The 8 oz. cup can be used for chopping or finely grinding and with the included shaker lid you can bring it to the table for serving.

Durable Tritan® containers

All of the containers included with this blender are made from Tritan® which offers optimal durability and performance. It will not crack or shatter like glass, yet it is crystal clear and lightweight. Cleanup is easy as the containers are dishwasher safe and keep their glass-like clarity wash after wash. Built to withstand the rigors of crushing ice, the 32 oz. jar will serve up a batch of icy drinks just as easily as a delicate soup. The lid has a removable filler cap to add ingredients while blending and measure ingredients right into the jar using the easy to read measurement marks in eight oz.increments.

Blender tips

- To add foods when blender is operating, remove filler-cap from lid and add ingredients through the opening.
- For best performance in the 32 oz. blending jar, the minimum amount of liquid needed per recipe is 1 cup. The 16 oz. travel jar requires 3/4 cup of liquid per recipe for best performance. Add more liquid if food is not blending properly.
- If blending action stops during blending or ingredients stick to sides of the jar, there may not be enough liquid in the jar to blend efficiently.
- Do not try to mash potatoes, mix stiff dough, whip egg whites, grind raw meat, or extract juices from fruits and vegetables.

Recipe

Fruit Smoothie (using 32 oz. jar)

Servings: 4 to 5

- 1 ½ cups milk
- 2 cups yogurt
- 2 ½ cups frozen berries or other fruit

Add ingredients to blender jar. Pulse for 15 seconds. Press On and blend to desired consistency.

Warranty Protection & Customer Care

We are confident in the durable construction and performance of the Hamilton Beach® Stay or Go™ Blender. For your peace of mind, this blender comes with a 3-year limited warranty and your questions are supported by a toll-free call center located in the U.S. If something goes wrong or you need help, call and talk directly with our operators to receive prompt, friendly support.

Модель 54220. Мультифункциональный бытовой блендер-измельчитель 700 Вт со стеклянной чашей марки Wave Crusher (черный).

Dimensions (inches): 14.96 H x 6.89 W x 9.45 D

DETAILS

All it takes is a press of a button to get smooth and delicious results with the powerful Hamilton Beach® Wave Crusher® Multi-Function Blender.

Ordinary blenders spin contents around the walls of the jar, which can leave whole chunks untouched by the blades, but our patented Wave~Action® System is designed to continually force the mixture down into the blades for consistently smooth results without stirring. This system, combined with our Ice Sabre® blades makes this blender ideal for smoothies, shakes and icy drinks.

The 40 ounce glass jar is perfect for parties or making a pitcher of milkshakes the whole family can enjoy. And with 14 blending functions, you can mix, puree, crush and more. Our easy-pour spout eliminates drips so there's no mess to clean up.

The Hamilton Beach® Wave Crusher® Multi-Function Blender is backed by a 3 year warranty and has been life tested to blend 8,000 frozen drinks. The lid, blades and jar are dishwasher safe and the base comes with storage for the cord.

Unique Wave-Action® System

The Hamilton Beach® Wave Crusher® Multi-Function Blender comes with our unique Wave~Action® System designed to continually force the mixture down into the blades for consistently smooth results.

Crush Ice and More

Patented Ice Sabre® blades and a motor with 700 watts of peak power crush contents quickly for smooth, icy drinks.

Eliminate Drips

Enjoy no-mess serving with an easy-pour spout designed to eliminate drips.

Easy Storage

Cord storage makes it easy to put away.

Smoothies, Shakes and Frozen Drinks

Blend your favorite fruits, juice and yogurt together for a delicious smoothie, or cool off on a hot day with your favorite frozen drink. This blender was made to give you the flexibility to mix your favorite ingredients into a delicious drink. It is also perfect for blending soups or making purees.

14 Functions for Added Flexibility

Go on a culinary adventure by creating new and unique foods using your blender. It's not just for making drinks. Go beyond the basics and explore all the options this 14 function blender offers. With the push of a button you can whip, grate, grind, crush, puree, stir, and so much more.

Модель 58161. Бытовой блендер-измельчитель 700 Вт со стеклянной чашей и спортивной бутылкой марки Wave Crusher.

FEATURES

- Two blending jars:
 - Blend and go with the 20 oz. travel jar and lid
 - Blend a larger batch with the 40 oz. jar
- 700 watt peak-power motor
- Wave~Action® system for smooth results without stirring
- 12 blending functions, including Pulse and Easy Clean
- Mess-free lid spout for easy pouring on the 40 oz. jar

3 year limited warranty

Dimensions (inches): 15.2 H x 7.8 W x 6.8 D

DETAILS

Deliciously smooth results on the go or at home.

Blend a batch of cold, creamy milkshakes for the family or a fresh smoothie to take on the go with the Hamilton Beach® Wave Crusher® Blender. This 700-watt peak power blender comes with a 40 oz. glass jar and a 20 oz. travel jar – both can be used on the blender – giving you ultimate versatility in serving size and portability.

With 12 blending functions including Pulse, you're sure to find the right setting for a smooth drink. You can also whip up sauces, dressings and purees. The patented Wave-Action® system works to continuously pull mixture down into the blades for consistently smooth results. Enjoy no-mess serving with the larger jar's easy-pour spout designed to eliminate drips. The jars, lids and blades are dishwasher safe and the base comes with storage for the cord.

Two Blending Jars, One Easy Process

Choose Your Jar

Twist the blades onto the jar of your choice. Use the 20 oz. jar to blend and go, or use the 40 oz. jar for a larger batch.

Place It On The Blender Base

Add your favorite ingredients like frozen fruit, juice and yogurt, along with ice, to make a delicious smoothie, shake or icy drink.

Blend & Enjoy

In just a press of a button, get smooth and delicious results. Snap the lid onto the 20 oz. travel jar and go. Or if you're using the 40 oz. jar, use the lid's spout for mess-free pouring.

Smooth Results Without Stirring

Ordinary blenders spin contents around the walls of the jar, which can leave whole chunks untouched by the blades, but the Wave Crusher® Blender has the patented Wave-Action® System, which continually forces the mixture down into the blades for consistent results.

Mess-Free Lid & Pour Spout

The 40 oz. glass jar features a unique spout with a hinged cap for easy, no-mess pouring. The cap also works great for adding ingredients while mixing, and it closes securely for spill-resistant storage of leftovers.
