DETAILS

Grill, griddle and cook bacon in one easy-to-use indoor grill.

Steak and eggs may seem like a treat reserved for breakfast at your favorite local diner, but the Hamilton Beach® 4-in-1 MultiGrill™ gives you the flexibility to easily make this breakfast

favorite at home. With 3 interchangeable plates, you can easily switch from a grill cooking area, to two flat griddle surfaces to a splatter-free bacon cooker.

But why stop at breakfast? The 4-in-1 MultiGrill™ is versatile enough to make a panini for lunch and juicy burgers, fish or chicken for dinner. Keep it closed for fast grilling or flip up the kickstand to cook crispy bacon. Or open it flat to double the cooking space and use it as either a double griddle or a grill and griddle combo. With a 200 square inch nonstick cooking surface, there's enough room to cook for the family or multiple items at once. The adjustable temperature control allows for cooking at low or high heat settings. When finished, cooking plates remove easily for cleaning. Both the cooking plates and the pull-out drip tray are dishwasher safe.

FOUR WAYS TO COOK

Indoor Grill

Bring outdoor flavors inside. Cook burgers, chicken, steak, fish or vegetables just like you would on a traditional grill. Or use it as a contact grill and make a toasty panini.

Double Griddle

All you need for the perfect breakfast. Easily cooks eggs, pancakes, French toast, sausage and much more.

Grill and Griddle Combo

Make an entire meal at once by positioning the plates into a grill and griddle combo. Grill chicken to perfection on the grill, while your veggies cook on the griddle side.

Easy, No-Mess Bacon Cooker

Make your bacon crispy and delicious without any messy splatters and no turning. Just flip the kickstand to elevate the grill for easy bacon cooking and better grease drainage and delicious results.

Removable, Nonstick Cooking Plates

An easy, push-button removal makes adjusting the grill plates easy for your cooking needs. Once cooled, the removable plates can be put in the dishwasher for quick cleanup.

DETAILS

Less Smoke, Less Mess, More Flavor

Enjoy outdoor grilled flavor anytime you want, regardless of the weather. The Hamilton Beach Indoor/Outdoor grill is designed to create less smoke and less mess while you prepare your favorite foods. The grill's high heat quickly seals in the juices of the foods, enhancing the flavor of dishes both hearty and healthy like steaks, burgers, fish, lean meats and vegetables. Cleanup is easy, since the base and grill plate can be washed in the dishwasher with the power cord removed.

Less Smoke

Just by simply adding one cup of water to the grill's base located below the cooking surface helps reduce smoke during grilling. Oils and juices from your food drip into the water and cools, rather than burning.

Less Mess

When grilling foods higher in fat, drippings fall into the water below instead of getting baked on, making cleaning easier. With the power cord removed, the grid and base are dishwasher safe.

More Flavor

Cooking foods like steak and burgers on high heat seals in the flavor, producing better results. The 125 square inch nonstick surface offers plenty of room for chicken, veggies, lean meats, fish and more.

DETAILS

With the Indoor Searing Grill, you can enjoy outdoor grilled flavor anytime you want, regardless of the weather. There are two secrets to its excellent grilling capability. The Searing Grill's high-heat searing temperature locks in juices and flavor, giving your meat better taste, texture and appearance. What's more, its unique hooded design helps keep in flavor to give your food that authentic outdoor grilled taste.

Cooking with the Searing Grill is easy. Simply plug it in and turn the temperature dial all the way up to sear. When it reaches the high searing temperature of 450 degrees, the green preheat light will glow. Now you're ready to sear steaks, burgers, pork chops or fish fillets to perfection. If you want to grill food that doesn't need to sear first, the Searing Grill has an adjustable temperature dial to let you grill at lower heat.

Sears meat for moist, tender results

Why spend money on expensive meat, only to have it turn it into leather as it cooks? Hamilton Beach Searing Grills have discovered how moist and tender meat can be when it's grilled the right way. Hamilton Beach Searing Grills quickly ramp up to a high heat that's ideal for searing in juices and flavor, then cool down to the proper grilling temperature to finish cooking. You end up with tender results in every bite, plus the skill you need to grill perfectly every time.

Made for easy cleanup in the dishwasher

After a long day, the last thing you want to do is scrub the grill. With Hamilton Beach Removable Grid Indoor Grills, you don't have to. They feature removable, nonstick cooking grids that go right in the dishwasher for easy cleanup. The Removable Grid Indoor Grill lets you focus on dinner instead of the dishes. It's a great example of how Hamilton Beach has made indoor grilling — and life — a lot more relaxing.

DETAILS

Restaurant-quality results don't have to come from a steakhouse. Fill your plate with the best grilled flavor at home with the Steak Lover's™ Indoor Grill. With the touch of a button, it sears meat at 500°F to lock in flavor and juices for perfectly grilled results every time.

The Steak Lover's Indoor Grill can do what most grills can't: keep meat tender and juicy without overcooking it. Whether you prefer your steak medium-rare or well done, the Steak Lover's Indoor Grill can help you prepare meat to just the right doneness and temperature. The searing function is perfect for steaks and burgers, achieving flavorful, tender results. The 100 square inch nonstick cooking surface lets you cook a variety of meats, veggies or panini sandwiches at once.

To sear meats, simply use the arrow buttons to select your desired cooking temperature. Cooking temperature will flash in the display. When the display stops flashing, press SEAR button. The grill will beep when SEAR temperature (500°F/260°C) is reached. Place your food on the grill and close the lid. The Steak Lover's Indoor Grill will sear food for 90 seconds and then automatically switch to the desired preset cooking temperature. Continue cooking food until the desired internal temperature is reached.

DETAILS

Outdoor flavor –fast, easy and indoors.

Enjoy delicious grilled foods year-round with the Hamilton Beach® Indoor Grill. The large 90 square inch nonstick cooking surface can accommodate up to six servings – an ideal size for family meals and parties. Equipped with powerful heating elements, this indoor grill cooks most foods in 10 minutes or less, making it perfect for quick weeknight dinners. Use it to grill burgers, boneless chicken, lean meats, fish and vegetables.

Designed so grease drips away from the food as it cooks, the Hamilton Beach® Indoor Grill makes low-fat cooking easy. Plus, the convenient slide out drip tray is dishwasher safe. The large handle offers a secure grip while cooking, and the floating hinges adjust to the thickness of food. When finished, the nonstick grill plates easily wipe clean.

Meals in Minutes

Powerful heating elements let you cook most foods in less than ten minutes, so you can get a delicious dinner on the table in no time.

Low-Fat Grilling

Cook your meats to perfection with less fat – the sloped design allows for fat to drip away from food as it cooks. A removable drip tray catches the excess grease and prevents mess.

Easy to Clean

Once cooled, the nonstick grill plates can be wiped clean with a damp cloth. The removable drip tray is dishwasher safe.
