The sandwich maker is easy to use. Power and preheat lights let you know when it is ready and the 10x8 inch cooking surface gives you plenty of space to make 2 -3 sandwiches at once. When complete, the sandwich is easy to remove from the nonstick grid.

Warm, delicious Panini sandwiches in minutes, all in the convenience of your own home ...now that's Good Thinking®.

More than just sandwiches

The Hamilton Beach® Panini Press Gourmet Sandwich Maker is known for its delicious sandwiches, but it can do so much more. Chicken Quesadillas come out warm and cheesy on the inside and toasty on the outside. Pizza and Bruschetta can also be made by using the lock hinge on the press so the lid hovers over the pizza toppings without coming in contact. Have a sweet tooth? Even fruit turnovers are possible.

Floating Lid

Café-style floating lid evenly presses any size sandwich.

Upright Storage

Upright storage makes it easy to fit in the kitchen cabinet.

No Need to Flip

Both the top and bottom heat and brown the sandwich giving you warm, crisp results.

Green Means Go

For best results, always plan on letting the press preheat for six minutes prior to use. While the press is heating, pile bread up with your favorite meat, cheese and veggies to create a satisfying meal. A built in ready light will turn green when the press is ready to cook your sandwich.

Satisfy your quesadilla craving in minutes.

Forget the restaurant - have your own fiesta of flavor at home with the Hamilton Beach® Quesadilla Maker. It's simple and fun to use. Just place a tortilla in the center, add your favorite ingredients like cheese, beans, vegetables or meat, top with another tortilla, then close and lock the lid. In just a few minutes, you'll have six wedges of warm, golden quesadillas. The locking lid prevents messes by keeping the food inside the quesadilla. Plus it lets you save space by storing the Quesadilla Maker upright. Cleanup is simple with a nonstick surface that wipes clean.

Locking Lid Seals in Flavor, Prevents Spills

While cooking, the lid lock and edge-sealing rings keep the food and flavor inside your quesadilla. Once you're done, save space and use the lid lock to store the Quesadilla Maker upright.

Dinner, In About 5 Minutes

The Quesadilla Maker is the perfect answer to a quick and easy weeknight meal. Cook up quesadillas for the whole family using whatever you have on hand. Cleanup is a snap – just wipe the nonstick surface clean with a damp cloth.
