Dimensions (inches): 9.65 H x 12.6 W x 10.24 D

DETAILS

Make mounds of delicious, fluffy rice with minimal effort.

Making rice and whole grains in the Hamilton Beach® Rice Cooker & Steamer is as easy as placing the ingredients in the nonstick bowl and turning it on. The rice will cook perfectly on its own, giving you time to prepare the rest of your meal. There's no need to worry about boiling water, adjusting the temperature or even setting a timer - it will automatically shift to warm once the cook cycle is complete. And with a 16 cup cooked rice capacity, you'll have enough to feed a crowd.

Use the included 2-in-1 basket to rinse rice or grains ahead of cooking, or use it to steam everything from salmon to zucchini. Clean up is a snap with the dishwasher safe nonstick cooking bowl and rice rinser/steam basket. The lid liner can also be removed for quick cleaning.

One Pot Cooking

Make a complete dinner in one cooking cycle. Steam seafood, poultry or vegetables in the steam basket while the rice cooks, or steam them on their own.

2-in-1 Rice Rinser/Steam Basket

Rinsing rice before cooking helps prevent clumping and creates a fresh taste. Now it's simple to do with the included steam basket that doubles as a rice rinser.

Cooks Whole Grains Too

Cook sorghum, buckwheat, barley, oats, quinoa, millet, wheat berries and farro to perfection in the Rice Cooker & Steamer.

Accessories Included

Use the included measuring cup for perfect water to rice or grain ratio. The steamer tray is great for steaming everything from salmon to summer squash. Finally, the included paddle makes it simple to dish up your meal. All three are top rack dishwasher-safe.

DETAILS

Making delicious rice and whole grains is easy with the Hamilton Beach® 20 Cup Capacity Rice Cooker. Just place the ingredients in the nonstick bowl, turn on, and the rice will cook perfectly on its own, giving you time to prepare the rest of your meal.

You can easily cook quinoa, barley, or even Jasmine rice without worrying about boiling water, changing settings, or even the timer. The Hamilton Beach® 20 Cup Capacity Rice Cooker will automatically shift to warm once the cook cycle is complete. And with a 20 cup cooked rice capacity, you'll have enough to feed a crowd.

Need a vegetable to go with dinner? Steam broccoli, asparagus, cauliflower and other favorites in the included steaming basket. Simply place the basket in the cooker during the rice cook cycle or on its own until it reaches desired tenderness. The glass lid makes it easy to peek at your food to see how it's progressing.

Clean up is a snap with the dishwasher safe nonstick cooking bowl and glass lid. Versatile and easy to use the Hamilton Beach® 20 Cup Capacity Rice Cooker, now in black, takes a bit of the work out of home cooking.

Add a Side of Veggies

Want to serve a vegetable side dish or dumplings alongside your rice? Use the optional

steaming basket. Simply fill the basket and add to the cooker toward the end of your rice cooking cycle or use it on its own. Corn, fresh green beans, and asparagus come out tender and delicious. To use this convenient function to steam only, fill the bowl half way with water and set to cook. Turn unit to warm or off when it has reached the desired tenderness.

Accessories Included

Use the included measuring cup for perfect water to rice or grain ratio. The steamer tray is great for steaming everything from corn to summer squash. Finally, the included paddle makes it simple to dish up your meal.

Glass Lid

Peeking in on your foods as they cook is easy with the glass lid.

Versatile Usage

Make up to two dishes with one cooker. We've made it easy to cook your rice or grains and steam a veggie side dish simultaneously.

Cooks Whole Grains Too

Rice Cookers are great for cooking whole grains. And since we are all supposed to be eating at least three servings of whole grains per day, this cooker makes it simple to prepare at home. Our home economists spent countless hours in the kitchen making everything from quinoa to buckwheat, and the results were palate pleasing. Sorghum, buckwheat, barley, quinoa, millet, wheat berries and farro all cooked to perfection.

Take a Fluffy, Hot Rice Tour of the World

Hamilton Beach® Rice Cookers make mounds of delicious, fluffy rice with minimal effort. These popular appliances cook rice to the perfect moistness and texture, and shift settings to keep rice warm until serving time.

These rice cookers are perfect for any family that enjoys cuisines from around the world. Try a nice basmati one day, and a brown rice the next. Or, maybe try black or sticky rice. Hamilton Beach® Rice Cookers are so versatile and easy to use; you can have an ethnic dinner tour just by pairing a different rice or whole grain with your meal every day of the week.

DETAILS

More than a rice cooker.

From breakfast to dinner, the Hamilton Beach Rice/Hot Cereal Cooker lets you cook a variety of foods effortlessly. Cook grains, hot cereals or even your favorite packaged rice mix without having to boil water or set a timer. All you have to do is place the ingredients in the nonstick pot, turn it on, select the setting and let everything cook to perfection. Use the included 2-in-1 basket to rinse rice or grains ahead of cooking or use it to steam everything from salmon to zucchini. The delay start lets you plan ahead and have your meal ready when you want it. The cooker automatically shifts to Warm once the cooking cycle is complete.

2-in-1 Rice Rinser/Steam Basket

Rinsing rice before cooking helps prevent clumping and creates a fresh taste. Now it's simple to do with the included steam basket that doubles as a rice rinser.

Ready When You Want It

Wake up to a warm pot of hearty oatmeal or come home after work to a simmering soup. The Delay Start feature lets you program cooking up to 15 hours in advance. Use the Keep Warm setting to ensure your dish stays at the right temperature until you're ready to serve it.

Preprogrammed Settings

Six different settings take the guesswork out of cooking. Choose from White Rice, Whole Grain, Heat/Simmer, Steam Cook and Hot Cereals.

One Pot Cooking

Make dinner in one cooking cycle. Steam seafood, poultry or vegetables in the steam basket while the rice cooks. Or use the Heat/Simmer setting to make your own soups, beans or flavored pasta mixes.

VERSATILE SETTINGS

- **Hot Cereals**

Make oatmeal, grits and Cream Of Wheat® cereal with little prep using the Hot Cereals setting.

- **Steam Cook**

Cook vegetables, meats, fish and more to perfect tenderness with Steam Cook.

- **Rice & Grains**

Three settings – White Rice, Quick Rice and Whole Grain – lets you cook everything from a 10-minute batch of white rice to farro, quinoa, and other whole grains.

- **Heat & Simmer**

Use Heat/Simmer for flavored pasta and rice mixes, beans, soups and one-pot meals.

- Rice bowl and drip tray are dishwasher safe
- Steaming chart included in Use & Care guide
- Nested storage design fits neatly in your kitchen cabinet
- Steams chicken breasts and hot dogs

Dimensions (inches): 12.6 H x 13.7 W x 7.28 D

DETAILS

Make mealtime more exciting and your plate more nutritionally balanced with colorful, vitamin-packed foods. It's easy with the Hamilton Beach Digital Steamer. Add your choice of vegetables, seafood, or chicken breasts and you're minutes away from serving a satisfying steamed meal the whole family will enjoy. With a Food Steamer in your kitchen, you can take advantage of the bounty of healthy, in-season produce at your local farmer's market or grocery store. If you're lucky enough to have your own garden, you can reap the rewards and the satisfaction of steaming your own freshly picked vegetables.

Once you add gently steamed vegetables and seafood to your meal rotation, canned and frozen foods lose their appeal. Don't be surprised if the Digital Steamer earns a permanent place on your kitchen counter because it's so versatile and easy to use. Fill it with water, place one or two of the transparent bowls filled with food atop the base and set the cooking timer. You're free to complete other tasks as food steams, because when your food is ready, it sounds a beep and automatically switches to warm for one hour.

Steaming a balanced meal

The Digital Food Steamer lets you prepare a whole meal in one, easy-to-use appliance. You can steam seafood or chicken breasts in the bottom bowl and vegetables in the top. Since food cooks faster in the bottom bowl, always place food with longer steaming times on first, closer to the base. Another option for cooking different types of food is to place one bowl (filled with food with longer steaming times) onto the base and steam first; then later add the second bowl filled with food that has shorter steaming times. For example, green beans and squash have shorter cooking times; foods with longer cooking times include red potatoes, sliced carrots, chicken breasts, and fish steaks.

Steaming white and brown rice

The rice bowl is designed for steaming rice and small amounts of food inside the steaming bowl. To steam rice, place rice and water into the rice bowl. Fill the water reservoir to the MAX line, place the rice bowl inside the lower steaming bowl and top with the lid.

Food that is ready when you are

The next time you have a workout, sports activity, or meeting that interferes with your family's mealtime, let the Digital Food Steamer take over. To set DELAY START, fill the water reservoir to the MAX line and place food into one or two steaming bowls. Press the up/down arrows to set your delay time. When your delay time expires, food will steam for your selected cooking time, then switch to warm for up to one hour. Do not use DELAY START for raw fish, seafood, meat or poultry. Start time can be set up to 24 hours in advance for ultimate convenience.

Get alerted when the water level is too low

This steamer will automatically turn off if the water runs low. It will power off, beep, the display will flash '- -', and the LOW WATER light will illuminate. To add water you don't have

to take the steamer apart; simply pull out the water drawer and gradually fill with water. Check the viewing window to see water level, and restart the steamer.

Three Ways to Steam

1. **Single Steam Bowl** - use to steam rice or a single type of food
2. **Two Steam Bowls** - use to cook two different foods at the same time
3. **A Single, Larger Steam Bowl** - remove the divider between the bowls to steam large foods such as corn on the cob or a head of broccoli

Test Kitchen Tips:

- **Cook eggs from soft to hard-cooked** by placing the bottom of either the upper or lower steam bowl with the egg holder side up. Place up to 8 large eggs upright in the stand, then fill the water reservoir to the MAX line. Place the drip tray on top of the water reservoir, add the steam bowl, and place the lid securely on top. Then just set the cooking time according to the type of eggs you desire for perfect eggs every time!
- **Cook larger foods like corn on the cob or a head of broccoli** by placing both the lower steam basket and upper steam basket on the water reservoir. Remove the bottom of the upper bowl to create a single, larger capacity steam bowl great for steaming larger foods.
- **Steam an entire balanced meal at one time** by using both the lower steam bowl and upper steam bowl at the same time. Steam seafood or chicken breasts in the bottom bowl and vegetables in the top! Food cooks faster in the bottom bowl, so always place food with longer steaming times in the lower steam bowl, closer to the base.

DETAILS

More than a rice cooker.

From breakfast to dinner, the Hamilton Beach Rice/Hot Cereal Cooker lets you cook a variety of foods effortlessly. Cook grains, hot cereals or even your favorite packaged rice mix without having to boil water or set a timer. All you have to do is place the ingredients in the nonstick pot, turn it on, select the setting and let everything cook to perfection. Use the included 2-in-1 basket to rinse rice or grains ahead of cooking or use it to steam everything from salmon to zucchini. The delay start lets you plan ahead and have your meal ready when you want it. The cooker automatically shifts to Warm once the cooking cycle is complete.

2-in-1 Rice Rinser/Steam Basket

Rinsing rice before cooking helps prevent clumping and creates a fresh taste. Now it's simple to do with the included steam basket that doubles as a rice rinser.

Ready When You Want It

Wake up to a warm pot of hearty oatmeal or come home after work to a simmering soup. The Delay Start feature lets you program cooking up to 11 hours in advance. Use the Keep Warm setting to ensure your dish stays at the right temperature until you're ready to serve it.

Preprogrammed Settings

Six different settings take the guesswork out of cooking. Choose from White Rice, Whole Grain, Heat/Simmer, Steam Cook and Hot Cereals.

One Pot Cooking

Make dinner in one cooking cycle. Steam seafood, poultry or vegetables in the steam basket while the rice cooks. Or use the Heat/Simmer setting to make your own soups, beans or flavored pasta mixes.

VERSATILE SETTINGS

- **Hot Cereals**

Make oatmeal, grits and Cream Of Wheat® cereal with little prep using the Hot Cereals setting.

- **Steam Cook**

Cook vegetables, meats, fish and more to perfect tenderness with Steam Cook.

- **Rice & Grains**

Three settings – White Rice, Quick Rice and Whole Grain – lets you cook everything from a 10-minute batch of white rice to farro, quinoa, and other whole grains.

- **Heat & Simmer**

Use Heat/Simmer for flavored pasta and rice mixes, beans, soups and one-pot meals.
