## Модель 04383. Очиститель воздуха с фильтрацией аллергенов с HEPA-фильтром марки TrueAir (белый).

### FEATURES

- High-performance HEPA filter captures 99% of dander and airborne particles as small as 3 microns
  - Captures particulates from pet dander, dust, dust mite debris, pollen and mold/mildew spores
  - Quiet and compact, yet offers powerful air-cleaning performance
  - Permanent filter never needs replacing and saves up to \$49 a year versus a comparable filter
  - Easy-care, permanent filter vacuums clean
  - Effective performance for large, 160 square foot rooms
  - Perfect for the bedroom, office, den or small to medium-sized living areas
  - Works horizontally or vertically, so it's easy to move from place to place
- 3 speeds: set on high for the fastest cleaning, medium for all-day use or low when extra quiet is needed

Dimensions (inches): 13.54 H x 6 W x 8.5 D

### DETAILS

*High-performance, low-maintenance air care that fits anywhere.*

With a permanent, 99% HEPA-grade filter, the Hamilton Beach® True Air® Allergen Reducer cleanses the air in your home without the added costs and hassle of replacement filters. The high-performance filter captures dander & airborne particles as small as 3 microns, making your surroundings a better place to breathe.

Don't let its compact size and ultra-quiet operation fool you – the True Air® Allergen Reducer can provide powerful air cleaning to large rooms up to 160 square feet, making it ideal for bedrooms, offices and dens. It's not only compact and quiet, but it also works vertically or horizontally for maximum versatility.

### Save Time and Money with Permanent HEPA-Grade Filter

The True Air® Allergen Reducer won't break your budget – its HEPA filter is permanent and never needs replacement. It simply vacuums clean for minimal upkeep. High-performance purifiers help reduce airborne dust mite debris, animal dander, mold and mildew spores, smoke, pollen and dust, so you and your family can breathe easier.

### Ultra Quiet, 3 Speed Operation

With an ultra-quiet motor and fan, you'll hardly hear this air purifier while it's on. Three speeds give you ultimate control. Set on high for the fastest air cleaning, medium for all-day use, or low when extra quiet is needed.

## Great for Large Rooms

The True Air® Allergen Reducer can provide effective performance for a 160 square foot room. Use it horizontally or vertically in your office, bedroom or den – it works both ways. The compact size makes it a discreet addition to your room.

## Every Season Is Dust Season

Not everyone is a pet owner with pet dander issues. Pollen and mold spores have their peak times and seasons and people's sensitivity to them varies. But what about dust and dust mite debris? They "live with us" invisibly all year long. If you think about it, your home and office are not always dusted and vacuumed as thoroughly as you would like them to be. So what's a habitual sneezer to do? Invest in a TrueAir® Air Purifier and make your surroundings a better place to breathe.

## Versatile Air Care That Fits Anywhere

The TrueAir® Air Purifier quietly blends in with your decor. (Since it fits on a shelf, some people mistake it for a speaker.) Taking up minimal space but packing a powerful air-cleaning punch, the TrueAir® Air Purifier is not only compact and quiet, it works vertically or horizontally for maximum versatility.

## CARE AND CLEANING

Four adhesive "feet" are provided in case you want to place the TrueAir® Air Purifier horizontally on a table or shelf. For the best air-cleaning results, select a location with adequate air circulation. Do not use in a kitchen, garage, or area with grease, oil or chemicals such as solvents or insecticides.

Before use, be sure to remove the plastic bag around the permanent HEPA filter. It is important to vacuum the permanent filter regularly. Depending on usage, plan on vacuuming it every three to six months. To make it a habit, vacuum the permanent filter every time you change your car's oil or when you vacuum your upholstered furniture, drapes or blinds.

## Модель 04532GM. Средство для устранения запаха в помещении марки TrueAir.

### FEATURES

- Keeps a 10' x 10' room smelling fresh for up to 3 months
- 3 carbon filters trap & neutralize odors
- Fan pulls odors through the filters and sends fresh air back into the room
- Helps capture the dust that you see in the air
- Uses less energy than a 15-watt light bulb
- 2-speed switch
- Works with or without included scent cartridge

Dimensions (inches): 7.966 H x 7.3 W x 3.74 D

### DETAILS

*Bring a breath of fresh air back into your home.*

Trap dust and eliminate household odors with the Hamilton Beach® TrueAir® Odor Eliminator. The TrueAir®'s quiet fan pulls air in and neutralizes odors through three carbon filters, sending fresh air back into the room.

Measuring just under 8 inches in height, and using less energy than a 15-watt light bulb, the Hamilton Beach® TrueAir® Odor Eliminator can keep a 10' x 10' room smelling fresh for up to three months. A two-speed adds better control. Use the low setting for quiet evenings and the high for making quick work of dusty or smelly rooms.

#### **Neutralize Odors with Three Carbon Filters**

This air cleaner doesn't mask pet smells, food and other odors, it eliminates them. The quiet fan pulls air through and the carbon filter traps and neutralizes odors before sending fresh air back into the room. Plus, the TrueAir® Odor Eliminator can capture the dust you see in the air.

#### **Optional Scent Cartridge Included**

Add a pleasant fragrance with the included Green Meadow scent cartridge. The Room Odor Eliminator works with or without scent cartridges.

#### **Freshen the Air Around Your House**

##### **Kitchens**

Remove pesky kitchen odors.

##### **Pet Areas**

Switch on TrueAir® and keep pet odors out.

##### **Tobacco**

Eliminate the smell of smoke.

##### **Bathrooms**

Keep the bathroom fresher, longer.

## Fresh, Clean Air

We all want our homes to smell fresh and clean, but sometimes pets, smoke, and other odors leave the air smelling old and stale. Remove odors and bring the fresh scent back with the Hamilton Beach® TrueAir® Odor Eliminator. Various filters are available for specific odor types.
