### DETAILS

*Maintain fresh-brewed flavor.*

No matter how much you try, it's impossible to get freshly brewed flavor from coffee that's been sitting on a hot plate too long. That's why we created the Hamilton Beach BrewStation®, the only coffeemaker that keeps coffee tasting fresh for up to four hours. This best-selling coffee maker works just like a traditional, automatic drip brewer, but with a notable difference: it brews into an internal tank instead of a carafe. This innovation in brewing technology is what will make your last cup taste just as fresh as the first. An internal heater keeps coffee at the perfect temperature for up to four hours, so you can refuel with a fresh, hot cup throughout your morning.

And with no glass carafe, you have nothing fragile to break and replace. Instead, you can easily pour a cup with the one-handed simplicity of a dispensing bar. The BrewStation® lets you customize your cup with brewing options like bold, regular, small batches and even iced coffee. The internal tank and brew basket both remove for easy fill-up and cleaning.

### Brews Up to 12 Cups

Make coffee the way you always have - the BrewStation® works just like an automatic drip coffee maker. Add water, a standard filter, and ground coffee. Instead of brewing into a carafe, the coffee goes into an internal tank that's easy to remove.

### Holds and Maintains Fresh-Brewed Flavor

The internal tank and gentle heater ensure coffee stays hot and tastes fresh for hours. Plus, you can leave the BrewStation® on without worry by setting the adjustable keep-hot function anywhere from 0-4 hours.

### **Dispenses One Fresh Cup at a Time**

Simply press the dispensing bar with your cup or travel mug to fill the cup with hot, fresh coffee. There's no carafe to pour, spill or break, and no hot plate to scorch your coffee's flavor.

### **Programmable Controls & Brewing Options**

This BrewStation® gives you ultimate brewing control. It's programmable 24-hours in advance for morning coffee, has four options – bold, regular, 1-4 cups and iced coffee. And the keep-hot function lets you set it for up to 4 hours.

### **DETAILS**

Making coffee for large groups doesn't have to be a chore. With the Hamilton Beach® BrewStation® 40 Cup Coffee Urn, just add grounds and let it do the work. By meeting time, fresh coffee for up to 40 people will be hot and ready to serve.

Unlike the other coffee urns, the Hamilton Beach® BrewStation® 40 Cup Coffee Urn has the original BrewStation® design. This design features one-hand dispensing for quick fill-ups and an insulated tank with a gentle heater to keep coffee tasting fresh for hours. It's ideal for long events. With BrewStation®, your last cup tastes as fresh as the first.™

Despite its large capacity, the urn is easy to fill and easy to clean. A ready light illuminates when the coffee is ready, taking the guesswork out of when to serve. There are also comfort-grip handles, making it easy to carry to the buffet table.

The urn itself has an attractive, yet durable metal exterior fitting for any gathering. Great coffee, cup after cup...now that's Good Thinking®.

- **Easy Fill**

Designed for stress-free serving, the Hamilton Beach® BrewStation® 40 Cup Coffee Urn is simple to fill and use.

- **Coffee Dispensing Bar**

The coffee dispensing bar allows for one hand serving. Simply slide the cup against the bar and hold until the cup is full.

- **Stays Hot and Fresh**

The BrewStation® is equipped with a dual heater system that keeps coffee hot and fresh for hours.

- **Hamilton Beach® Coffee Urns**

Hosting large gatherings at home? Serving crowds in business meetings or other functions? Hamilton Beach Coffee Urns are ideal high-volume coffee dispensers. Sleek and practical, these urns have a gleaming metal finish, comfortable handles, and a locking lid to avoid spills.

Hamilton Beach Coffee Urns brew about a cup per minute and an indicator light lets you know when the coffee is ready. The two-way dispenser can fill a single cup or be propped to fill a larger carafe. The lid and brew basket are dishwasher safe, and a detachable cord makes for easy storage.
