## Модель 46240. Программируемая кофеварка на 8 чашек с термо-кувшином (черная).

### FEATURES

- Keeps coffee hot and fresh longer
- Immediate auto shutoff
- Drip-free thermal stainless steel carafe
- 3 brew options & programmable timer
- Auto pause & serve
- Removable brew basket
- Easy-view water window

Dimensions (inches): 12.9 H x 7.86 W X 11.9 D

### DETAILS

For hot coffee that tastes fresh hours after you brew it, make the switch to thermal. The Hamilton Beach® 8 Cup Programmable Coffee Maker with Thermal Carafe keeps coffee hot and fresh-tasting longer, thanks to its vacuum-sealed thermal stainless steel carafe. Once you try it, you'll notice the difference every time you brew. Just add fresh ground coffee and water to the Hamilton Beach® 8 Cup Programmable Coffee Maker with Thermal Carafe, then right before you brew, quickly rinse the thermal carafe with hot water. This hot-water-rinsing step doesn't take long, but it makes a big difference in the long run, since it warms up the stainless steel to help it hold coffee's hot temperature longer. And because the thermal stainless steel carafe is insulating your hot coffee without the need for a heating plate, there's no fear of coffee losing its fresh, just-brewed flavor.

#### Keeps coffee hot & fresh longer

The vacuum-sealed thermal carafe keeps coffee hot and fresh longer. Simply rinse the carafe with hot water right before brewing, which warms up the stainless steel to help coffee hold its temperature.

#### Immediate auto shutoff

The thermal coffee maker automatically turns off right after brewing, which provides peace of mind and increases energy efficiency.

#### Drip-free thermal stainless steel carafe

Pour yourself cup after cup of fresh-tasting coffee without messy drips.

#### 3 brew options & programmable timer

This thermal coffee maker has bold, regular and 1-4 cup brewing options to let you tailor coffee to your preference. The programmable timer lets you set wake-up coffee in advance.

### **Auto pause & serve**

Can't wait to pour yourself a cup? The pause & serve feature lets you sneak a cup in the middle of the brew cycle. Brewing resumes after the carafe is replaced.

## **Модель 45505. Программируемая кофемолка-кофеварка на 12 чашек.**

Dimensions (inches): 16.5 H x 9.8 W X 8.7 D

### **DETAILS**

The Hamilton Beach Programmable Grind and Brew 12 Cup Coffee Maker offers two ways to brew! Use pre-ground coffee or the unique built-in grinding chamber to brew coffee using whole coffee beans. The grinding chamber is automatically self-rinsing to prevent clogs and keep parts clean. That means you'll enjoy fresher, more flavorful coffee, without the extra steps of using and cleaning a separate coffee grinder. A smart sensor stops grinding action when the chamber is empty. Also features a water window for easy filling and easy-access swing-out brew basket. Enjoy a custom cup with bold, regular, and 1-4 cup brewing options.

#### **Unique grinding chamber**

Coffee maker has an integrated coffee grinder that grinds, brews, and then rinses the chamber automatically, preventing clogs and keeping parts clean. Smart sensor stops grinding action when the chamber is empty.

#### **Easy access**

Grind and brew coffee maker's swing-out brew basket, located in the front for easy access, lets you fill ground coffee while the brewer stays in place. Water window has clear markings to easily see how much water you've added.

#### **Programmable**

Grind and brew coffee maker can be programmed to brew up to 24 hours in advance for fresh, hot coffee when you wake up!

#### **Flexible brewing options**

Use whole bean or pre-ground coffee in this programmable coffee maker, then choose from bold, regular, and 1-4 cup brewing options.

### **Permanent filter included**

Coffee maker includes permanent, gold-tone filter that eliminates the need for paper filters.

## **Модель 46203. Программируемая кофеварка FrontFill на 12 чашек (черная нержавейка).**

### **FEATURES**

- 12 cup capacity
- Convenient easy-access design
- Front swing-out brew basket
- Removable water reservoir
- Programmable for wake-up coffee
- 3 brewing options: regular, bold or 1-4 cups for small batches
- Warming plate with adjustable heat
- Self-clean cycle & reminder
- Time-since-brew indicator
- Auto shutoff
- Easy-access design - for fast, easy filling of coffee and

water

- Mess-free pouring
- Automatic pause & serve
- Removable water reservoir with handle
- Nonstick warming plate with adjustable heat

Dimensions (inches): 13.3 H x 13.5 W X 8.3 D

### **DETAILS**

Finally, a coffee maker that can stay tucked under a cabinet when in use. With front access to the brew basket and side access to the water reservoir, the Hamilton Beach Easy Access Programmable Coffee Maker puts an end to the back and forth maneuvering of a countertop coffee maker. The swing-out brew basket is easier to fill and keep clean than a top-load basket, while the removable water reservoir lifts off from the side of the machine for easy filling in the sink. It's also loaded with features to make brewing great-tasting coffee quick and easy, like a programmable clock for wake-up coffee, self-cleaning cycle and reminder, warming plate with adjustable heat, drip-free carafe and three brewing options to suit your personal taste.

### **Flexible Brewing Options**

Brew up to 12 cups of coffee, but you can customize your cup with bold or regular brewing options. The 1-4 cup option optimizes the brew cycle for smaller servings. The machine will even remind you when it's time to run the self-clean cycle.

### **Swing-Out Brew Basket**

The brew basket is easy to access from the front. It swivels out quickly and the basket holder is designed for easy cleaning, since it's dishwasher safe.

### **Easy-Access Water Reservoir**

Don't move your coffee maker an inch to pour water in the top – just lift off the water

reservoir from the side. The large handle makes the tank easy to maneuver between the counter and sink.

### **Programmable for Wake-Up Coffee**

Wake up to a hot, fresh cup of coffee thanks to the programmable clock and timer. A "time since brew" indicator lets you know if your coffee is still fresh for up to 2 hours before automatically shutting off. You can even adjust the heat of the warming plate in the morning, depending on how hot you like your coffee.

### **Automatic Pause and Serve**

Can't wait until the whole pot is brewed to fill up your mug? Removing the drip-free carafe during the brewing cycle will pause the process so you can get started on your first cup.

## DETAILS

*Simplify the way you make coffee.*

It's called the morning rush for a reason. Every minute counts as you go from waking up to walking out the door. Now you can get a head start with the Hamilton Beach® 12 Cup Programmable Coffee Maker. Set it up the night before with the programmable clock and pour yourself a hot cup first thing in the morning. Whenever you set up to brew, you can do it faster and easier – the rotating base lets you access the rear water reservoir with just a quick twist. And the swing-out brew basket pops open with just a press of a button.

Three brew strength options and an adjustable warming plate lets you customize your coffee taste and temperature for the perfect cup each time. And with automatic pause and serve, mess-free pouring and a nonstick warming plate, spills and messes aren't an issue. The water reservoir removes for easy filling and cleaning.

## FAST, EASY FILLING

### Rotate

Discreet swivel feet on the bottom of this coffee maker means you can effortlessly turn it for quick access to the rear water reservoir.

### Fill with Water

The water reservoir removes for easy filling and cleaning. With a 12 cup capacity, you can brew enough for everyone at once.

### Add Coffee

With the touch of a button, the brew basket releases from the front for easy filling of your favorite grounds. Choose from three brew strengths – bold, regular or 1-4 cups.

### Mess-Free Serving

Automatic pause and serve lets you grab a cup during the brewing process without any overflow. Plus, the mess-free pouring spout and nonstick warming plate make for easy, clean serving.

### DETAILS

*Streamline the brewing process and get consistent coffee flavor.*

With the Hamilton Beach® Auto Grounds Dispensing Coffee Maker, making coffee just got a whole lot easier. That's because your grounds are automatically measured and dispensed into the filter with just a touch of a button. Plus, it remembers your scoop number so there's no need to set it daily. That means you can get the same flavor and strength every time – no matter who makes it.

The attached grounds container seals tight to help keep coffee fresh, and it holds up to 12 ounces of grounds. The coffee maker's compact design makes it small enough to still fit under most standard cabinets, but it can brew up to 12 cups.

While the Auto Grounds Dispensing Coffee Maker gives you consistent results, it also offers smart, flexible features, like programmable settings, three brewing options –regular, bold and 1-4 cup – and automatic pause and serve. A front-access water reservoir makes filling easier, and the swing-out brew basket has a sensor to let you know when the coffee basket needs to be cleaned out, so you won't accidentally fill a used filter. Plus a cleaning cycle reminder lets you know when it's time to clean your coffee maker.

#### **Automatic Grounds Dispensing with Memory**

This coffee maker stores and dispenses the grounds for you and remembers the scoop number you previously selected. Store up to 12 ounces of ground coffee – the sealed container keeps coffee tasting fresh.

#### **Consistent Flavor, No Matter Who Makes It**

Trust anyone to make the coffee the way you prefer - just select your preferred scoop number, add water and brew.

#### **Easy Access from the Front**

Fill the water reservoir from the front of the coffee maker, not the back. View water levels in the window that's on the front.

#### **Swing-out Brew Basket with Intelligent Sensor**

Brew basket opens with a push of a button, and an intelligent sensor alerts you if the basket needs to be cleaned out before dispensing grounds, so you never have to worry about accidentally auto filling into a used filter.

#### **12 Cup Capacity with Brewing Flexibility**

Programmable timer with auto shutoff and optional clean cycle reminder. Brewing options include regular, bold, and 1-4 cups.

## DETAILS

*Simplify the way you make coffee.*

It's called the morning rush for a reason. Every minute counts as you go from waking up to walking out the door. Now you can get a head start with the Hamilton Beach® 12 Cup Programmable Coffee Maker. Set it up the night before with the programmable clock and pour yourself a hot cup first thing in the morning. Whenever you set up to brew, you can do it faster and easier – the rotating base lets you access the rear water reservoir with just a quick twist. And the swing-out brew basket pops open with just a press of a button.

Three brew strength options and an adjustable warming plate lets you customize your coffee taste and temperature for the perfect cup each time. And with automatic pause and serve, mess-free pouring and a nonstick warming plate, spills and messes aren't an issue. The water reservoir removes for easy filling and cleaning.

## FAST, EASY FILLING

### Rotate

Discreet swivel feet on the bottom of this coffee maker means you can effortlessly turn it for quick access to the rear water reservoir.

### Fill with Water

The water reservoir removes for easy filling and cleaning. With a 12 cup capacity, you can brew enough for everyone at once.

### Add Coffee

With the touch of a button, the brew basket releases from the front for easy filling of your favorite grounds. Choose from three brew strengths – bold, regular or 1-4 cups.

### Mess-Free Serving

Automatic pause and serve lets you grab a cup during the brewing process without any overflow. Plus, the mess-free pouring spout and nonstick warming plate make for easy, clean serving.
